

Dear visitor,

I invite you to visit the Erebuni Historical & Archaeological Museum-Preserve website: [www.erebuni.am](http://www.erebuni.am)

. In this comprehensive information trove, you can find material detailing the 3000-year history of this ancient settlement, as well as work being undertaken to allow its preservation, ongoing use, promotion, current dilemmas and future concerns. We endeavour to make

[www.erebuni.am](http://www.erebuni.am)  
an interesting port of call for both archaeological heritage professionals and individual visitors.
